Schultz – Noah's reference is correct for this site. Scott Schultz is with the Colorado Attorney General's Office. I was thinking of the state RPM for the California Gulch and Colorado Smelter Sites.

There are some names in the search term list that I am not familiar with. Some are obviously people, but some are not. Can you tell me if all of these terms refer to people, and any specific relationship they have to Sunnyside, the consent decree, and the Upper Animas situation.

•□□□ Etter – Greg Etter, VP of Sunnyside Gold

- Fearn – Steve Fearn, member of ARSG and a partner in Colorado Goldfields
- Gold King – one of several abandoned mines in the Upper Animas watershed
- Hennis – Todd Hennis, owner of multiple mine claims in the watershed
- Hickenlooper – John Hickenlooper, Governor of Colorado
- Jamison – Doug Jamison, Supervisor, Superfund Program, CDPHE
- Lewis – Brent Lewis, Abandoned Mine Lands Coordinator, Bureau of Land Management
- Mueller – Mueller Industries, Inc., a parent company of some of the historical mining companies in the Upper Animas Mining District
- Nathan – Nathan Longenecker, VP and General Counsel for Sunnyside Gold
- Perino – Larry Perino, Mining Engineer for Sunnyside Gold
- Perla - ?
- Peter Butler – Co-Coordinator of the Animas River Stakeholders Group
- Salazar – John Salazar, former Senator from Colorado and sponsor of Good Samaritan legislation
- Schultz – Alissa Schultz, CDPHE Project Manager
- Umphries – Ann Umphries, Solicitor for Bureau of Land Management

I am working from home and need this information to flesh out the search expressions I am creating.

Thank you,

Louise
